Mr. J. T. Cruttenden, President Eastern Connecticut Development Commit-

My Dear Mr. Cruttenden: Referring to your letter of Feb. 16th and to the conversation on the plat-form at Hartford station on Thursday, you may consider April 8 a positive date on which I will be in Norwich to meet the Eastern Connecticut develop-ment committee. The only thing that I can see that will intervene would be sickness or some trouble in my family which might cause me to be elsewhere. I hope and believe neither of these events will happen, as I told you I am much interested and quite anxious to go to Norwich and meet some of your friends in the eastern part of the state,

Yours very truly.

General Secretary Hill Was Speaker at Talk at Hopkins & Allen's.

General Secretary Edwin Hill was the speaker at the Y. M. C. A. shop meeting held Thursday noon at the Hopkins and Allen's plant and his talk was given with reference to the essentials of a happy home.

Secretary Hill said Paul the great apostle wrote "Husbands Love Your Wives," and "Children Obey Your Parents." Home is one of the sweetest words in our language and it is crowded full of meaning.

No matter where we go we find ourselves living in the spirit of the lines "be it ever so humble, there's no place like home," and we might ask ourselves what makes home so attractive to us?
